

PEER NOTES AGREEMENT

I agree to the following process:

I will attend class to determine whether I will be needing to use my notetaker accommodation. I may be contacted by the ARO to discuss the barrier(s) I am experiencing and possibly be offered an alternative notetaking method rather than being matched with a peer notetaker.

If I am approved for a peer notetaker, I will select *Notetaking Services* on my AIM profile where I will confirm or cancel my request(s) by course after attending class for one week. I understand that I can set my preference to receive notes confidentially if desired.
