

Action Plan For Six-Year Program Review Cycle Years: 2018-2023

Department Art Department

Please address the applicable areas of your program improvement and arrange them according to their priority.

	A brief description of each proposed change	A brief rationale and evidence that support the proposed change	Six-year timeline for the proposed changes and actions	Who is in charge if known
1	Big Picture changes: <i>1) Revising and streamlining our PLOs and creating an assessment schedule for 2018-2023 review cycle</i> <i>2) Revisiting how we structure and use Sophomore and Senior Project</i>	1) This was an internal recommendation growing out of our 6-year report 2) Our external reviewer suggested we examine the teaching and assessment burden placed on Sr0-6
