

## GE Assessment Report Template

1. The assessed GE SLO. If the SLO assessment is part of the concurrent ILO assessment, the ILO language needs to be included.
  
2. Direct assessment:
  - a) Assessment goals
  - b) Design and implementation (student data needs to be disaggregated by gender, race/ethnicity and first-gen status; disaggregated data needs to be presented in percentages rather than absolute values).
  - c) Methods and tools (all prompts, rub .S7cclua)

4. Syllabus Review: a brief description of the goals and results of the survey audit. A statement whether any action is required.
5. Final recommendations for closing the loop activities
