

MINUTES

Program Review Committee

Date: 3/6/24

Committee Member

3. Meeting with academic departments: Kinesiology

Kinesiology understood that there are minor places that need to be worked on, but overall was a great meeting. Kinesiology faculty expressed their urgent need for more lab space.

4.

- a. Julian Paley scheduled a meeting for April 10 for all Economics and Business faculty members to be trained on how to write annual assessment reports.

5. Best seven-year and annual reports

- a. Education and Chemistry had the best annual reports and Steve Rogers will present the awards in the upcoming faculty meeting
- b. Religious Studies had the best six-year report and Steve Rogers will present the award in the upcoming faculty meeting

6. Modified version of the Alumni Survey

PRC made modification to the Alumni Survey adding some new questions and modification to the language that was used.

7. Other Business

As a result of required budget cuts, the academic departments will receive funding for only one retreat over the seven-year cycle with the maximum amount of \$25 per person. These budget cuts were approved by PRC.

Meeting adjourned: 4:58 pm
